Walk along the Grand Strand's pristine beaches.

Myrtle Beach is home to some of the best golfing in the world.

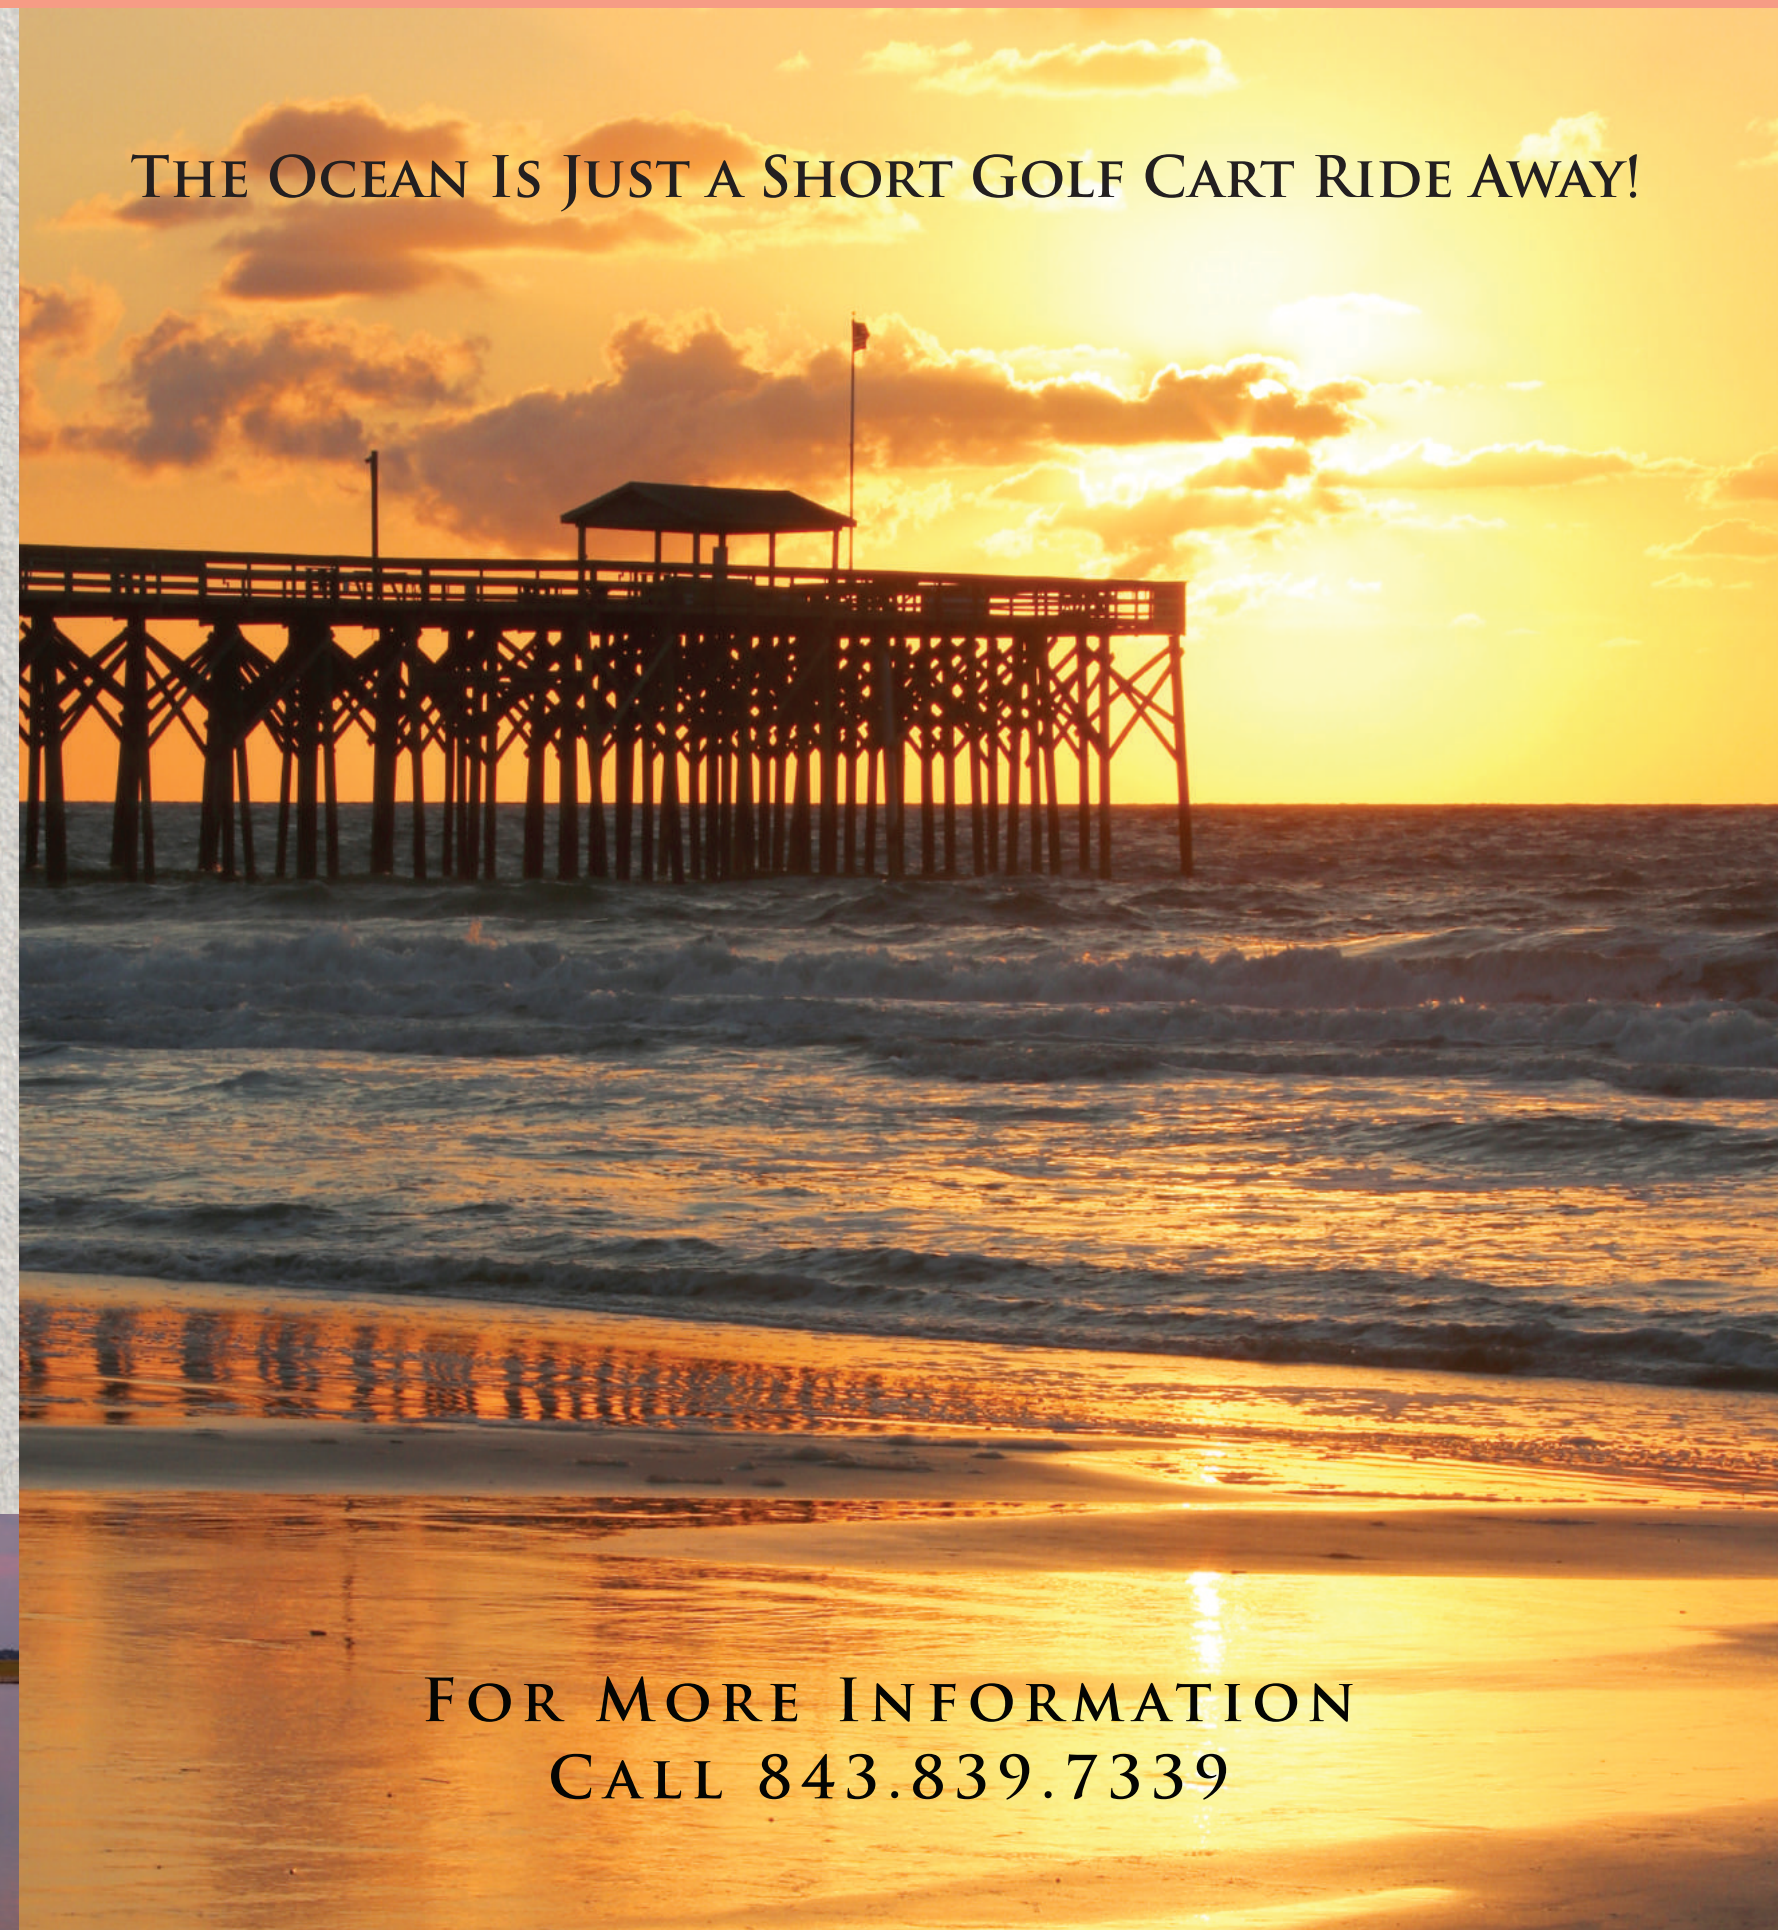

Whether deep sea or right off the dock with family, Myrtle Beach has some of the best fishing in the southeast.

Can you smell them? The fresh warm cookies gently baking in the new oven. The grand kids splashing around in the cool waters of the swimming pool outside. You watch them from the kitchen window as the timer for the cookies lets you know they're done. You pull them out as the sweet aroma fills your new home, and now for the best part...

At Montage at Ocean Commons we help build memories. We do this through adventures in home building so you get the affordable, spacious home, you've always dreamed about. We have selected the biggest lots this close to the ocean, but there's a catch... ***"you don't have to pay close to the ocean prices!"***

So, if you like affordable well-built homes just a quick golf cart ride from the ocean, then Montage at Ocean Commons is for you. Call us today!

THE OCEAN IS JUST A SHORT GOLF CART RIDE AWAY!
